School

A School of the Montfort Brothers of St. Gabriel

The ART (Assumption Restaurant for Training)
was established in April 2011
within the premises of
Assumption Pathway School (APS).

The ART is a "No Pork, No Lard"
casual dining restaurant that gives APS students
an authentic working environment
to put their F&B knowledge and skills into practice.
Students gain practical experience in interacting
with real customers. They also learn new menus and
cooking techniques, and gain exposure to service
under various themed events and promotions.
The ART is equipped with a food preparation kitchen,
baking facilities and both air-conditioned
and al fresco dining options.
